

Be a Part of Glacier Edge Elementary PTO,

Did you know parents have a huge effect on their children's education?

It's True!

A great education isn't just about teachers and the school...

What you do as a parent really counts!

STUDIES SHOW THE BENEFITS OF PARENTAL INVOLVEMENT

For your student:

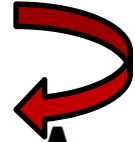

- Better grades
- Better test scores
- Better attendance
- Better self-esteem
- Better attitudes about school

Better understanding of children's learning

Stronger ties with school & community

Confidence in parenting & decision-making skills

For the Parents:

Get Connected!

A great way to learn more about Glacier Edge is to connect with other parents & get involved with the PTO. The PTO & other parent groups are great places to help support students & teachers so they can do their best work. There are lots of ways to get involved!

Volunteering:

Can't volunteer? That's okay!
The PTO sponsored events are fun for the whole family, so come & enjoy the fun!

The best way to get connected is by volunteering. There are a variety of ways to volunteer that fit all skill sets & schedules.

You can volunteer a little or as much as you want.

These are a few of the yearly PTO events:

Book Fairs-October & March

Silent Auction-February

Restaurant Nights-Multiple Months

Color Run-May

Come to a PTO meeting the second Tuesday of each month at 6:30 p.m. at the Glacier Edge library.

There are no fees to join PTO & it's okay if you can't make the meetings.

The majority of what we do as a PTO requires funds. In order to support our students & teachers at Glacier Edge, we must fundraise. That doesn't mean it can't be fun or easy! Help collect box tops & take part in the Silent Auction & the Color Run!

Where does the money go?

All the profits we earn will go to the following (and more):

Teacher Appreciation Makerspace School projects Classroom Support Technology
